

Clip It Spray – 5 in 1

PRODUCT DESCRIPTION:

Clip It Cleaner spray is a 5 in 1 powerful tool for Barbers and Hairdressing Salons to clean and sanitise grooming tools.

1. **CLEANS** – unique Jet Blaster nozzle blows hair, dust & particles from clipper blades & teeth
2. **SANITISES** – specially formulated to spray on blades to kill germs & bacteria
3. **LUBRICATES BLADES** – Clip It spray leaves a thin film of lubricant that reduces friction and keeps blades sharp
4. **PREVENTS RUST** – Anti-rust formula protects blades and prolongs clipper life
5. **COOLS BLADES** – Aerosol spray cools blades on contact.

Perfect for preventing cross contamination from one client to another sanitising clippers and blades in between clients.

DIRECTIONS FOR USE:

Short sharp sprays with the jet blaster nozzle will help to dislodge hair and particles from clipper blades & teeth.

Spray on blades to clean and sanitise, allow solution to dwell and air dry before use.
